# **Prayer Ministry at the House of the Lord**

At the House of the Lord we value prayer. We know that we have been called to be a House of Prayer for all nations as individuals and corporately. We realize that our effectiveness in ministry is directly linked to how we live in this identity of being a House of Prayer. Therefore, we have a few practical ways our prayer ministry at the House of the Lord gives people the opportunity to be involved:

- 1) Prayer Ministry Team at services—These people pray before services and also are available to pray for individuals who come up for prayer during or after the service.
- 2) Monday Night Intercession Group @7pm—This is a group specifically for those who feel called to intercession and also to be trained up as intercessors.
- 3) Tuesday Night Power Prayer meetings @7pm—This is a group where, through prayer and worship, we see breakthrough in individual lives, families, our church, our city, and the nations.
- 4) Friday Morning Men's Prayer Meeting @5am—where men get together online and in person to pray for each other, encourage each other, and pray for various prayer requests.
- 5) Various other prayer and worship events to unite the Body of Christ and get people to pray together to see God's kingdom come and His will being done here on earth as it is in heaven.
- 6) The BHOP Prayer Chapel can be used at any time 24/7 to spend time praying at. The code is freely given to anyone who would like access to the Chapel to pray.
